

## Bathroom Cleaning Checklist for Teenagers

- First, stop and roll your eyes, make sure we can see the whites.
- Grumble and say this is stupid. Include "I'm not going to follow a list"

You're off to a great start! Now, to redeem full and not abbreviated privileges for the day, make sure to check everything off **in order**. Don't skip!

- Gather the following - broom, dustpan, 2 clean rags, All Purpose spray, Windex, gloves if desired.
- Rehome items on counter to the **proper** locations. If you aren't sure, **ask**.
- Pick up all dirty linens, take to the laundry.
- Shake out the bath mat and hang over the tub.
- Remove remaining items on counter to the floor or toilet lid.
- With a dry rag, dust the light fixture.
- Using Windex, spray the mirror and wipe it down.
- Scrub any difficult spots like toothpaste.
- Make sure it is shiny and has no streaks. Streaks=dirt
- Using All Purpose spray the entire counter, sink and fixtures. Scrub it down so it looks new.
- No lint, no raised surfaces or bumps, no grime.
- With all purpose, wipe the tile backsplash and the lid of the toilet tank.
- Wipe down cabinets, remove and grime like soap or toothpaste.
- Get toilet scrubber, scrub the inside, use extra if necessary. Let it sit a minute.
- While the toilet bowl sits, spray and wipe down the entire outside of the toilet. No pee, no pee, no pee!
- Sweep the floor, get the edges and corners really good.
- Spray the outside of the tub and baseboards.
- Wipe them down.
- Flush what's left in the toilet.
- Return items to counter.
- Empty and return the trashcan.
- Spray any tough dirt on the tile.
- Steam clean the floor.
- Return cleaning products and rags go to laundry.

Ta-da!!!
